Signature of Applicant: .....  
Date: .....

## **Information to Applicants**

The application form needs to be filled in and submitted to the Island Government. In order to be processed the form must bear a Naf 5.00 stamp available at the Island Receiver's Office (Eilandsontvanger). If the permit is approved you will need a second Naf 5.00 stamp for the permit itself.

The following information should be submitted along with the application form:

- Letter describing in detail the reason behind the activity including dimensions (if relevant), the exact location and the method of which the activity will be performed;
- Plan including (kadastral) reference points (if relevant);
- Detailed description of the method through which the activity will be executed and precautions taken to prevent potential damage to the underwaterpark;
- Photographs of the location;
- Proof of premises ownership (eigendomsakte) where applicable;
- Proof of payment of "leges"(Naf 25,- payable to the Island Receiver's Office);

Your application will not be processed in case the application is not complete.

---

**Please read carefully before completing the application form**

**Reason activity is necessary:** The necessity of the activity must be made apparent.

**Location:** Please be specific about the location the activity will take place. You will need to submit a scale plan indicating the proposed location including kadastral reference points and co-ordinates.

**Further details:** Please provide a detailed description of any material required to perform the activity, the method of execution and any other relevant information.
